

## Camp Hebron: A Life Changing Ministry

Camp Hebron's vision is to be a Christ-centered sanctuary where people find renewal and growth through recreation, teaching and fellowship in God's creation. The camp is holy ground located on the other side of the mountain, a world away. Whether you are here for a retreat, summer camp or with a rental group, it's a great place to quiet yourself and hear God's voice.

"Most of the teenagers I baptize have made a commitment to Christ at camp. Today's camps are like the revival meetings

of the past."  
-Keith Weaver,  
moderator of  
Lancaster  
Mennonite  
Conference

"Without a doubt, Camp Hebron presents the gospel to kids every week. It is an environment where the kids are faced with the choice between heaven and hell." -Zach Garber, Summer Staff

## What is the Camp Hebron Association?

The Camp Hebron Association was established in 1957 as a nonprofit corporation with a mission to reach urban youth for Christ. The ministry has grown and now encompasses over 300 acres and 50+ buildings. Its many programs bless thousands of guests each year.

The Association serves as the backbone for the ministry of Camp Hebron. The Association meets annually to elect officers, review financial statements, hear how God is working through the programs, encourage the staff and fellowship with other members.

The camp's roots are in the Mennonite Church. In 1998, membership in the Association was expanded to include people from the broader Christian community who love Camp Hebron's ministry and are willing to support its purpose statement. (To continue the Anabaptist heritage of Camp Hebron, elected board members continue to be restricted to those from MCC related churches.)

## Camp Hebron: A Life Changing Ministry
