Program Director

## James 1:22

“Do not merely listen to the word,  
and so deceive yourselves.  
Do what it says.”

### Discussion for the younger kids:

How do you feel when someone does not listen to you? How do you think your parents feel when you do not listen to them? Do you think it makes God sad when we don't listen to him?

### For further discussion:

For those of you who were at Camp Hebron last summer you will remember the theme “Faith without works is like a screen door on a submarine.” That theme came about from my personal study of the Book of James. Too many Christians pray a sincere prayer for Jesus to enter their heart but then do nothing with the amazing gift He has given to them. Jesus tells us to go and make disciples, to take care of the poor and sick, and to love our enemies. He was not just saying these things! He wants us to do them! I pray that this year Jesus will be pleased with what we do and not just what we think and talk about doing. If you want a little extra challenge this week read the Book of James (Don't worry – it is short!!) and ask God to reveal to you how you can put your faith into action.

If you would like to ask Curtis more about his devotional, you can send an [email](#) to him at camp.
