## Romans 12:2

"Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is – his good, pleasing and perfect will."

### Discussion for the Younger Kids:

Have you seen the show Transformers where robots look like cars but then change? That's kind of what God does with us at times. When we obey what God says he transforms us on the inside so we want to be more like Him! That's even cooler than turning into a car if you ask me!!! Ask your parents today what it looks like to be transformed.

### For Further Discussion:

In the book of Romans, Paul wrote that we shouldn't act the way that the world acts, and that we shouldn't live the way the world lives. That doesn't just mean that we shouldn't live sinfully, like our friends might, but also that we should live in the joy of the Lord! Jesus said that the thief comes to steal and destroy, but he [Jesus] came that we may have life and life to the fullest! This means that God has something for us much greater than anything we could ever find in this world and that is his Joy! When you are living in God's love, and following his ways, it won't feel like you are being held back by a bunch of rules, but rather you will be able to partake in an awesome adventure authored by the one true God! It doesn't get much better than that!
