I John 4:10

"In this is love, not that we have loved God but that he loved us and sent his Son to be the propitiation for our sins."

Discussion for the Younger Kids:

Ask your parents if they loved you before you were born. What did they do before you were born? Did they sing to you? Did they play music for you? Did they have a lot of names picked out? God loved you long before you were born. Ask Him what He did for you!

For Further Discussion:

God has shown us His amazing love by sending His own Son, Jesus Christ, to die on the cross and to take the punishment that we deserved for our many sins. He did not wait for us to reach out to him for mercy, but showed us undeserved kindness by sending Jesus to die for people who had rejected him and rebelled against him and as we turn from our sin and trust in Christ we experience God's love and forgiveness. If you are wondering if you can be loved by God, look to the cross because it is there that we see the clearest demonstration of God's love as he made a way for rebels like you and I to know forgiveness and life.
