Ephesians 4:32-5:2

“Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you. Therefore be imitators of God, as beloved children. And walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God.”

Discussion for the younger kids:

These verses show us that we are to be kind to each other. We need to treat each other kindly and serve one another, putting each other above ourselves. Jesus treated people with kindness. He served them and loved them. We are to love everybody! Even people who don't like us or who are mean to us. We are to love them and be nice to them. By doing that we can show them how much Jesus loves them.

For Further Discussion:

These verses help us understand how we are to treat each other. Jesus treated every one with kindness and served them. When we see an opportunity to serve others we should take it. By serving and loving others we can show them Christ's love for them. This gives us the opportunity to then share the gospel with them and tell them how Jesus came and died for them.
