Payment Plan for Moms & Tots - \$100 nonrefundable, nontransferable deposit per room required at time of registration. One half of remaining total is due by February 1, 2011. The balance is due by April 1, 2011.

-It is not our desire to impose a financial hardship. We can work out a payment plan upon request (guaranteed full payment is expected by June 1, 2011).

-We do need to do our best to avoid cancellations, as well as give folks on the waiting list a fair chance to register. As such, once you register, you will be responsible for the payments as indicated. If payment is not received by assigned dates and you have not arranged an alternate payment plan through our Program Registrar, in the Camp Hebron office, your camp reservation may be cancelled by us, and you will forfeit in full any previous payments made.

-If you can't pay by the assigned payment dates but are willing to guarantee your full payment by credit card, we will gladly make such an arrangement, with your **full payment** due by credit card on **June 1, 2011**. If you guarantee full payment by credit card, you are agreeing in advance to pay in full, cancellations notwithstanding, and will make full payment on line or call the Program Registrar, with the appropriate credit card information by June 1.

-We reserve the right to fill any cancellation room(s) with new campers on our waiting list or at our discretion.
