## Scholarship Instructions

To apply for a Camp Hebron Scholarship, you will need to print out an application form and two advocate forms. Please fill out the application form and sign it and give an advocate form to two people that you feel will best represent your need for the scholarship.

There are three different application forms (youth, adult, and family). Please make sure you choose the one that best fits the program you plan to attend.

Try to submit your forms as soon as possible to ensure scholarship funds are still available for disbursement. Mail the completed, signed forms to:

ATTN: Office Manager  
Camp Hebron  
957 Camp Hebron Road  
Halifax, PA 17032-9520

Upon receipt of all three forms, the Program Director and Office Manager will review them. You will be notified of the amount of scholarship that will be applied to your outstanding balance for the program you wish to attend. Typically, a scholarship will cover one third of the total cost.

If you are in need of more financial aid, we recommend that you contact your local church and ask for their assistance. Many churches have money set aside to help with camper needs as well.

Please feel free to contact our Office Manager at 717-896-3441 or 800-864-7747 if you have any questions regarding this process.
