**For Immediate Release**

Camp Hebron  
Halifax, PA

*A Message from Chairman of the Board John Eby*

Dustin Musser, Executive Director of Camp Hebron, has informed me of his intention to begin a transition out of his current role as Executive Director. I am working closely with him to facilitate a transition that will be smooth and effective.

The Camp Hebron Board has appreciated Dustin's leadership. His vision and competence have led the camp to a strong point. We are disappointed in his decision but we recognize there are times when change is appropriate. We will move ahead immediately with recruitment of a new Executive Director. We are thankful that Dustin will remain as the Executive Director until we mutually agree on a transition date. We ask for your continued prayer and support.

*A Message from Executive Director Dustin Musser*

The past few years at Camp Hebron have been joyful and life giving for my family and me. It has truly been an honor to serve this ministry as Executive Director, though I am confident that my decision to move on is right for my family as well as for Camp Hebron.

Camp Hebron has made significant strides in recent years. Feedback regarding our mission is positive, camper attendance is trending upward, and we've balanced the budget. This is a change we're going to make from a position of strength.

I have not yet defined what the next step will be for my family and me; We're looking forward to making that decision in the light and are excited about what may come. In the meantime, I remain fully committed to accomplishing the significant work happening here at Camp Hebron.

Let me close by saying a big word of thanks for all you have done in support of the Camp Hebron ministry. Your kindness and generosity have carried us for many years, and for that I will always be grateful.
