Pricing Options
<p>Our goal at Camp Hebron is to make the camp experience available to all who wish to attend. As a non-profit organization we try to keep the cost of camp as low as possible, however expenses for facility maintenance, staffing and program support each year are quite substantial. That is why we have developed a three-tier payment option. This approach allows us to assist those not capable of paying the true cost of camp while relying on the benefit of those who can afford the full amount.</p>

## Tiered Pricing Options

Tier 1	This price point is our lowest cost option and is subsidized by generous donations.
Tier 2	This price point is slightly higher than Tier 1 and helps cover the direct cost of a week of summer camp including program costs, food, summer staff and camp administration.
Tier 3	This price point covers the actual full-cost of camp including all aspects of facility maintenance, operations, programs, camp expenses, utilities, etc. If your means allow the selection of this option, we greatly appreciate the additional financial support.

## Camperships Available

For those needing financial assistance to attend camp, Camperships are available. Please visit [www.camphebron.org/camperships](http://www.camphebron.org/camperships) for details.
